GRAFFITI PREVENTION MEASURES

The best way to stop graffiti is to keep graffiti from happening.

BYLAWS + TIPS

The following are some tips on how to protect you and your property from being victimized by graffiti:

FENCES, HEDGES AND PLANTS

- If you are installing a **fence** consider staggering the fence posts so there is not a smooth canvas for a vandal to write on.
- Use fences, rails and other barriers to **discourage** through traffic in areas where graffiti could be an issue.
- Plant a **hedge**, this will give you privacy and doesn't leave a canvas for a graffiti vandal.
- Put in **shrubs**, clinging **plants** such as ivy, or plants with thorns to protect exposed walls. This will break up the writing space and make it harder for vandals to paint the wall.
- Trim **trees** or **bushes** that block the public's view of potential targets and vandals.

LIGHTS

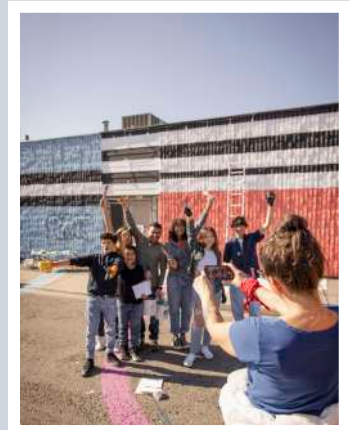

- Install motion-detector **lights** at the rear of your property; this will make vandals feel exposed but not give them continuous light to work by and can prevent 'show casing' the graffiti.

PAINT

- Talk to your local **paint** store about applying a transparent coating to make graffiti removal easier.
- When **painting**, choose paint colours that are darker and keep leftover paint for touch-ups.

KEEP UP THE NEIGH BOUR HOOD

- Keep your property in **good repair** and free of vandalism. Graffiti and other forms of vandalism left on properties are open invitations for more, not just on your property but on your neighbour's as well.
- If graffiti does appear on your property, try to remove it within 72 hours, this will significantly decrease the chance of it reoccurring.
- Encourage your **neighbours** to watch for and report graffiti vandals.
- Organize a community graffiti removal project. Bylaw services can help with this initiative, go to www.calgary.ca/animalservices click on Graffiti and Our Services for more information.

IF YOU SEE GRAFFITI IN YOUR COMMUNITY:

- If you see graffiti being applied, call 9-1-1.
- Record graffiti that you see in your community.
- Report the recorded information to 3-1-1.
- Remove the graffiti within 72 hours if it is on your property.
- www.calgary.ca/bylaws/graffiti-recording-reporting-removing.html click on *Graffiti*.

Preventative measures can go a long way. Not only does prevention keep you and your property from being victimized, but prevention can also increase citizens' sense of safety and pride in their community and city.

MESSAGE FROM 12 CSI

LARRY LEACH
Executive Director 12 CSI

Happy Fall and back to school time, East Calgary!

As you read this, we hope you are well and safe in your community. We have a great number of resources to help you be safer in the coming pages and on our YouTube channel. Please subscribe as it helps us build the channel and will give you the first look at our educational and inspirational videos. As I write this, we have 110 total videos with more

being added each week; 75 of those are Traffic Safety videos translated in up to 21 languages. We have also recently added our highly anticipated "DiverseCity" - a series of nine videos that will inspire and educate you about the different cultures and people that live in your neighbourhood.

Our Ambassador team have been very active over the summer helping people find help and resources. They are here to help make your communities in the East Central Calgary safer and inclusive for all. If you see the "purple people" give them a wave and say hi. They love to hear from members of the community.

Also make sure you read the latest Bylaw and Police

pages for tips on staying safe. Our 12 Community Associations need your support, and we ALL have a role to play.

Check out your community association page in the newsletter. Always remember volunteering is the ultimate in democracy. You vote once a year in elections, but when you volunteer, you vote every day on what kind of community you want to live in. The more people you have in your life that you can call on, the safer you are.

12 Community Safety Initiative (12CSI) is a local area crime prevention collaborative that fosters community action on the issue of crime prevention by providing support, facilitation and advocacy.

We operate in the communities of District 4 of the Calgary Police Service which are Abbeydale, Albert Park/Radisson Heights, Applewood Park, Calgary Marlborough, Crossroads (Mayland & Vista Heights), Dover, Erin Woods, Forest Heights, Forest Lawn, Marlborough Park,

THE 12 CSI VISION IS COMMUNITIES THAT ARE VIBRANT, INCLUSIVE +FREE OF CRIME.

Penbrooke Meadows and Southview. Together, we work toward creating safer neighbourhoods using the actions of our Teams - Youth, Communications, Diversity, Community Action and Governance.

MONTHLY BOARD MEETING
2nd Monday @ 7pm

The Erin Woods Garden Committee is looking for new members to participate in the planning, building, and running of the community garden that is currently in the process of being rebuilt. John Stark has been very busy rebuilding our garden boxes and making a new formation to complement the apple trees EWCA just received from the city. The trees are scheduled to be planted in our community garden July 29th. Which will make the garden even more beautiful for everyone in the community to enjoy.

I am excited to announce we are going to begin cat walks (Community Action Team,) in our neighbourhood again which is a program through 12 Community Safety Initiative. It is a walk designed to learn about the proper way of reporting issues and who to report them to. We also give out cards to homes that keep their small part of Erin Woods clean. Our first cat walk is was a great success on for July 29, 2023. Our second cat walk will be September 6, 2023 we will be meeting at Erin Woods Community Association at 6pm please RSVP to erinwood@telus.net or 403-273-7209 for more information, or if you would like to join us.

Dates to all free communities cleanup days can be found on the City's website.

Reminder: There are both a Little Free Library and Little Free Pantries located at the EWCA Hall. Please donate to, or use, as you are able to, or need. These initiatives are stocked entirely by people like you in Erin Woods.

Commonly Observed Traffic Violations

A message from the Calgary Police Service.

With school season quickly approaching please keep in mind that the safety of the students and other drivers in this area is a priority for the Calgary Police Service. We receive concerns from community members and parents every fall about some dangerous driving behaviors around the schools as well in playground and school zones. Parents please assist your children in increasing their safety by using cross walk and crossing guards. Safety is everyone's responsibility.

School start and end times can make the roads very congested. To keep children safe, it is very important everyone obeys the law as defined in Alberta's Traffic Safety Act.

Commonly Observed Traffic Violations

- **Illegal U-turn \$162** - U -turns are illegal between intersections, alley junctions, when prohibited by sign, at traffic signals and when unsafe. The only place to legally do a U-turn is at an intersection not controlled by lights as long as it can be done safely and there is no sign indicating that you can't.
- **Pedestrian J-walk \$81**- If there is a marked crosswalk on the block, you **MUST** use it to cross. Please help to teach your children the proper way to cross the street and lead by example.
- **Seatbelts! \$162** - It is an offense to operate a vehicle without wearing a seatbelt or to have children not wearing a seatbelt. Please ensure your child seats are properly secured.
- **Impede/block traffic (double parking) \$162** - Double parking is stopping alongside another vehicle in the middle of a street to drop off your child. This adds to congestion because you are backing up traffic behind you while you let your child out of the vehicle. This also puts your child in a dangerous position as they will be walking between two cars parked after being let out. These vehicles are not expecting little ones to walk behind them and may back up into your child.
- **Distracted driving** (use handheld cell phone, etc.) \$300 + 3 demerits!
- **Disobey posted signs** (includes no stopping zones) \$243
- **Fail to yield for pedestrian in crosswalk \$810**
- **Unauthorized parking or stopping in handi-cap space \$300**
- **Stopping or parking in a bus zone \$81**
- **Parking in front of or within 1.5 meters of driveway/garage \$81**
- **Speeding** - \$110 for 10km/h over, \$175 for 20 km/h over, \$249 for 30 km/h over-

The poster features the Explorers Scouts logo at the top center, which includes a fleur-de-lis with 'B' and 'P' on either side and a shield below. The background is light blue with a grid pattern and colorful circles. A green banner at the bottom contains the registration details.

We ask that everyone is aware of the *school zones* in their areas and are keeping their eyes open for the students who are crossing the road and in the area. Safety is a primary concern and responsibility for everyone and the roll you play will help avoid expensive fines and serious injury should one of the students be struck by a motor vehicle.

Remember to choose safety over convenience.
