MESSAGE FROM 12 CSI

Happy Summer 2023! I hope it's a good one for us. I will keep this short and sweet since we have a jam-packed issue, with an added community associations joining us. Welcome Southview. If your community isn't in these pages, reach out to your association and maybe you can be the newsletter director to help them get in?

Check out our YouTube channel for all our new videos. We have four new Focus on Safety series videos on Mental Health, preventing bike theft and all our Blackfoot and Amharic traffic safety videos are live as well. In total we have 61 safety videos in up to 11 languages with more to come. Subscribe so you don't miss the latest.

The Purple people continue to walk the area around international avenue helping people. We have helped many people change their lives by seeking out help to get supports. Sometimes they just smile and say hi and welcome people to the avenue! If you see them, say hello.

If we want to live in a safe and welcoming community, we ALL have a role to play. Get in touch with your community association or us to find out how you can contribute. Sometimes it's as simple as keeping aware when you are walking your dog or having a conversation with your neighbour or someone new in your community. The more people you have in your life that you can call on, the safer you are.

LARRY LEACH
Executive Director 12 CSI

MONTHLY BOARD MEETING
2nd Monday @ 7pm

Hey everyone... hope you are enjoying summer weather finally! Hard to believe I have already served this community as president for a full year. It is with great honour to be serving in this capacity. We are small team of a handful of volunteers committed to our common goal, making our community a better place to live. We are dedicated to providing you with social, recreational, and educational opportunities close to home, a variety of special events to bring you together as residents, and a voice for your community.

On Saturday July 8, 2023, 9am - 11am we will be hosting our annual **Stampede Breakfast** 83 Erin Park Dr SE. Please come out and show your support.

The **Erin Woods Garden Committee** is looking for new members to participate in the planning, building, and running of the community garden that will be rebuilt at the EWCA Hall this spring. John Stark has been very busy rebuilding our garden boxes and making a new formation to complement the trees EWCA will be receiving from the city this year, to make the garden even more beautiful for everyone in the community to enjoy.

Winter will soon be leaving us and the green thumbs will be getting itchy. We are starting to take **applications for the garden boxes**. The seasonal garden box can be rented for the price of our Community Association Membership plus rental. Each renter must donate their time to keep the garden area clean.

EWCA is currently looking into the possibility of putting in a community fridge at the Hall to complement our Little Free Pantries for non-perishable items. **Community Fridges** are spaces where anyone can access free, quality food that would otherwise go to waste, connect with others, learn about the environmental impact of food, and share knowledge and skills.

Erin Woods Community Cleanup Saturday, September 23, 2022, 9am- 2pm Contact the EWCA office at 403-273-7209 or visit www.ewcacalgary.ca for more info. Save a trip to the landfill for items that do not fit in your waste and recycling carts or for residents who do not have cart service. This service is free of charge to all Calgarians. Dates to all free communities cleanup days can be found on the City's website.

The **outdoor rink** will be back again this

winter, hoping to start end of **O c t o b e r** beginning of **N o v e m b e r** depending on the weather. We are always looking for new

dedicated rink team of volunteers, if anyone is interested in helping out to contact the Hall. 403-273-7209 or erinwood@telus.net

EWCA BOARD MEETINGS

Usually 2nd Monday of the month, 7 pm at the EWCA Hall @ 83 Erin Park Dr SE. Please consider supporting your community by becoming a member or continuing to renew your membership. Get involved by volunteering at events, on committees, or joining the Board of Directors, and help steer the direction of the community, which will continue to make it a great place to live. We are always looking for people to fill positions on our board and on our subcommittees - like help with the community garden or sign at the 3-way stop. If interested, please contact us. Any and all help is appreciated!

BINGO DATES

May 21, July 9, and August 12, September 5 & 16, October 6, November 10, December 27, January 9, March 15 at the Bingo Palace (2600-35 Ave NE) - all volunteers receive a \$50 credit towards youth & sports programs. If you are interested in volunteering please contact us.

The **AGM** will be held on Monday, May 8th at 7:00pm, at the EWCA Hall: 83 Erin Park Dr SE. We need your help to make sure our neighbourhood is thriving. We have several open volunteer positions on the board. Come out to a Board meeting or **email erinwood@telus.net**

There are many more projects our board is working on, and more information will be available in coming months. A huge thank you goes to all residents for their continued support of EWCA and the work we do. Hope to see you at our upcoming events!

- **Shannon Coleman**

President, Erin Woods Community Association

Reminder: *there are both a Little Free Library and Little Free Pantries located at the EWCA Hall. Please donate to, or use, as you are able to, or need. These initiatives are stocked entirely by people like you in Erin Woods.*

BYLAWS + TIPS

Community Cleanups in Our Communities

Community Cleanup events provide an opportunity for Calgarians to dispose of items that do not fit in their waste and recycling carts. They also support community residents who do not have access to cart service.

All Community Cleanup events occur on Saturdays and Sundays throughout the City of Calgary. Spring season will begin on April 22/23 and go through to June 24/25. The Fall Session will start up September 2/3 and end on September 23/24. There will be some Community Cleanup Events available over the summer with limited availability. Please check each Community's website for more information regarding their specific event.

For each event, the City of Calgary will supply three packer trucks with crews and funds to assist with cleanup expenses. Please note that these events accept residential waste only.

Lock It or Lose It!

Fast, easy tips to protect your vehicle against theft

It takes just seconds for a criminal to break into your vehicle. Less than a minute later, your valuables — even your entire vehicle — could be gone. It can take weeks to settle an auto theft insurance claim, and since claims are usually based on your vehicle's value rather than its replacement cost, it could leave you thousands of dollars short — all for the sake of a few moments of your time.

Since vehicle theft is often a crime of opportunity, the Calgary Police Service recommends these measures to make your vehicle less attractive to thieves.

Lock it up. Close the windows, lock the doors and the trunk, and take your keys with you — never leave your vehicle unlocked, even for the few minutes it takes to duck into a store or run back into the house. And don't hide a key on the vehicle — criminals know ALL the hiding spots.

Turn it off. Never leave your vehicle idling alone, even if you lock the doors. It costs the environment in emissions, and it could cost you when a criminal bypasses the door lock in seconds.

Hide your valuables. Wherever and whenever you park, remove your valuables — including any removable stereos. If that's not practical (you're in the middle of a shopping day, for example), hide the valuables in the trunk, out of sight, and then move the vehicle to a different place in the parking lot. Thieves watch parking lots to see who's stashing shopping bags and then heading back into the mall.

Stow it right. If you have a garage, use it and lock it. If you don't, choose a parking spot that's as well lit and well travelled as possible, within sight of your windows.

Think security. If your vehicle has an alarm, use it. If it doesn't, consider installing one, or at least using an anti-theft device such as a steering-wheel locking bar. These items can deter some criminals, and can delay others. If your vehicle is especially attractive to criminals, consider installing a security system such as an electronic vehicle disabling device, a hood-locking device or a location tracking system.

Protect yourself. Never leave any identifying information, such as your name, address, phone number or vehicle registration/insurance in the vehicle. Carry it in your wallet or purse instead, and never leave these items in the vehicle. You'll also need the registration and insurance details in case the vehicle is stolen, so it's a great idea to make an extra copy of these documents, to keep at home.

Report it! If you see suspicious people in or around vehicles, call the Calgary Police Service at 266-1234. And if your vehicle is broken into or stolen, report it to police right away, regardless of loss or insurance coverage. Break-ins are rarely isolated — reporting them immediately with as much detail as possible can help police in their investigation.

Hello Everyone!

2023 seems to steam rolling right on by me. Are there others that feel the same? The weather has certainly brought happier faces to a lot of people as they prepare to start digging in their gardens.

APRH garden plots are going fast! We will have had our tomato plant sale by the time you read this. So, a big thank you to all who support the sale. Many thanks to our much-valued volunteer, Gloria Wood, for her hard work in preparing all the tomato plants.

Our community association is in dire need of volunteers. Hopefully there are people out there who can help us. We need a secretary, a volunteer who would work on grant application and a few others to become board members. Please give us a call if you are interested in joining us. **I do have to step back and take things much slower.** I really want to see APRH stay active and I will try to do what I can. **It is time for a new president.**
