# DIVERSITY TRAINING

A six-part series of informative presentations on relevant topics to promote awareness and understanding of our diverse communities.

## *WHAT IS DIVERSITY?*

*The concept of diversity encompasses acceptance and respect.*

*It means understanding that each individual is unique, and recognizing our individual differences. These can be along the dimensions of race, ethnicity, gender, sexual orientation, socio-economic status, age, physical abilities, religious beliefs, political beliefs, or other ideologies.*

*It is the exploration of these differences in a safe, positive, and nurturing environment.*

*It is about understanding each other and moving beyond simple tolerance to embracing and celebrating the rich dimensions of diversity contained within each individual.*
