A Message from 12 CSI

Hello East Calgary,

We hope you are all safe and well and enjoying your community. Welcome to our Summer edition. As always, say "Hi" to the purple people (our East Calgary Ambassadors) when you see them around International Avenue area. They are there to help all people in the community. We hope you like the new look!

We have done two Security Assessments for our community groups on a Security Infrastructure grant from the province, in hopes our communities and their buildings can be safer.

I am just back from the Alberta Crime Prevention conference as I write this! I learned much about other organizations and people working every day to make us safer in the province. We learned from former CSIS agents about Cyber threats, what Alberta Citizens on Patrol is up to and the magic of social capital and how it works to gain support. Social Capital is essential in the work communities do everyday.

Our social disorder taskforce continues to meet and work with other agencies to keep safety in mind and essential relationships with communities. Check out the following pages and make sure you connect with your local community association.

As an election has just passed by, it's a good time to remind you that "Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in."

Happy Summer to you all! We'll reach out to you again in the fall!

Larry Leach,
Executive Director,
12 Community Safety Initiative.

Celebrate Neighbour Day!

Celebrate Neighbour Day in your community on Saturday, June 21! Get involved in this year's event by gathering with your neighbours for a block party or community event.

In addition to the many neighbourhood events taking place across the city on June 21, Sport Calgary's All Sport One Day will also give children a free opportunity to try a new sport, while collecting donations of used sports equipment.

Neighbour Day is our city's annual celebration of community spirit and connection. Held on the third Saturday in June, Neighbour Day is a step toward creating welcoming and inclusive communities where neighbours connect and belong every day of the year.

Get to know your neighbours—whether through a friendly chat or a helping hand, small connections build stronger communities and a greater sense of belonging and wellbeing.

Show us how you're celebrating!

Share your photos on social media using #YYCNeighbourDay. To see Neighbour Day events in your community visit calgary.ca/NeighbourDay.

Dear Residents,

Summer has arrived in Albert Park/Radisson Heights, bringing longer days, brighter skies, and renewed opportunities to come together as a community.

We're currently seeking volunteers for our upcoming casino fundraiser on June 14-15. This event plays a vital role in supporting our community programs, and we welcome your time and energy. No prior experience is needed—just a willingness to lend a hand.

A friendly reminder that 2024 memberships expired on March 31st. If you haven't already, please take a moment to renew and continue being part of the progress we're building together. ***Please email us at aprh@shaw.ca for more information.

Due to the ongoing community garden renovations, we won't be holding our tomato sales this year. We look forward to bringing them back in the future, with improvements that will make our garden stronger and more vibrant.

Join us for Community Clean-Up on June 1 at Max Bell Arena—an opportunity to clear out unwanted items and help keep our neighbourhood looking its best.

Finally, Neighbour Day is coming up on June 21. Let's take the time to reconnect with one another, celebrate our shared spaces, and strengthen the bonds that make our community feel like home.

Lastly, City of Calgary is hosting Park n' Play at our community centre from July 11-18. This free recreational program is for children 6-12. More details are available at calgary.ca

Thank you for your continued support and commitment. Wishing you a safe, joyful, and connected summer.

Warm regards,

Tony Dinh and Glynnis Sinclair

ChargeYYC: helping Calgarians install EV chargers in multi-residential buildings

ChargeYYC is designed to support residents living in apartments, townhouses, rowhouses, and other multi-residential buildings to install electric vehicle (EV) chargers. This initiative is part of The City's commitment to prepare for the future of low carbon transportation.

Building owners and property managers can apply into Phase 1 of the program for financial incentives of up to \$4,000 to develop a plan to install EV chargers in their buildings. ChargeYYC aims to simplify the process and reduce the costs associated with EV charger installations, making it easier for more Calgarians to own electric vehicles.

Motor vehicles are a major contributor to Calgary's greenhouse gas emissions, making programs like ChargeYYC essential for achieving the city's climate goals. The first phase of the program focuses on planning, with future phases offering additional financial incentives for installation.

For more details and to apply, visit calgary.ca/chargeyyc.

Hello Everyone,

First of all, all of us here at Abbeydale Community Association want to say thank you to everyone who's been coming to our events leading up to the temporary closure of the main hall. Your support of our community events means a lot to everyone here.

At the time of this writing, the roof reinforcement is well under way and although there's been a couple of things that have popped up, we're looking good to be back to being back to renting out the main hall, hosting the large community events and the smaller community connector events in June.

We're looking forward to welcoming everyone back for some big events, from Neighbor Day, to our ever-growing Stampede Breakfast and our 5th year of hosting our City supported Community Clean ups, this coming summer is going to be another busy one!

We have more in the pipeline than what you see here, so do keep checking our website and Facebook page.

Look forward to seeing everyone at these events,

Hey everyone... hope you are enjoying nice weather finally!

Hard to believe I have already served this community as president for three year now. It is with great honour to be serving in this capacity. We are small team of a handful of volunteers committed to our common goal, making our community a better place to live. We are dedicated to providing you with social, recreational, and educational opportunities close to home, a variety of special events to bring you together as residents, and a voice for your community.

The Erin Woods Garden Committee is looking for new members to participate in the planning, building, and running of the community garden that is currently being rebuilt at EWCA Hall now. John Stark has been very busy rebuilding our garden boxes and has made a new formation to make the garden even more beautiful for everyone in the community to enjoy.

The Community fridge project

Our dedicated team will be breaking ground again as soon as it warms up enough to allow us to finish building our foundation. We are looking for volunteers in all areas of the project along with contributors to donations, to helping stock the fridge and pantry. For more information on getting involved with this project please reach out to: Christina at 403-273-7209 or email erinwood@telus.net.

Community Fridges are spaces where anyone can access free, quality food that would otherwise go to waste, connect with others, learn about the environmental impact of food, and share knowledge and skills.

Catwalks (Community Action Team)

Join Heather our Safety Director and Larry Leach from 12 CSI (Community Safety Initiative) on a walk within our community. Meeting at the community hall on June 10, 2025 at 6:30 pm. We will be taking notice of safety concerns, or noticing homes in our community who have gone the extra mile. Please RSVP to the community hall either by phone or email found at the top of this page. Look forward seeing you there.

Shannon Coleman, President
Erin Woods Community Association

Volunteers Needed

We will be needing more volunteers to participate in upcoming events in order to make them larger, and even more successful. I am calling out to the community for people who want to help organize or lend a hand on the days of community events.

If you are interested in volunteering your time, please reach out to us at 403-273-7209 or email erinwood@telus.net.

Hello Marlborough Community,

As we head into a new season, there's lots happening around the Marlborough Community Centre—and we'd love for you to be a part of it!

We've got some great events coming up, starting with our Community Cleanup on May 31, where you can help keep our neighbourhood looking its best. And don't forget to mark your calendars for a good ol' Stampede Breakfast on July 12—come hungry and bring the whole family for pancakes, fun, and western hospitality!

If you're not yet a member (or your membership is up for renewal), now's the time! All memberships expire on July 31, and renewing yours helps support programs, events, and maintenance of our shared spaces. It's a small contribution that makes a big difference.

We're also looking for friendly faces to join our Board and help shape the future of our community. Not ready for a board role? Volunteers are always welcome—whether it's lending a hand at events, helping with programs, or just showing up with a smile, every bit of help counts.

Thanks for being part of what makes Marlborough such a special place to live. We hope to see you soon!

Hello Marlborough Park Residents!

As we move into the last part of the school year, we celebrate the growth of the children in school both in our preschool and schools everywhere.

This time of year also brings us warmer weather and the opportunity to do some spring cleaning. To help with that, we will have our amazing community clean up event June 8 from 9am to 1 pm. Clean up your properties and bring all your garbage to the hall. We will also start to see what the plan the city has for our wonderful green Kathy Canu space watch for those updates.

Finally, thank you for those who replied to our engagement survey. We are starting to look at the results and planning for our AGM, on June 8th. Watch for details and the upcoming events we will be hosting to continue our engagement work.

Take care and enjoy the nice weather!

International Avenue Arts and Culture Community's mandate is to encourage and support the arts in East Calgary.

MISSION: IAACC strives to provide opportunities for all artists, promotion of the arts and bring a thriving arts community to East Calgary.

Art Exhibit – June 25th, 2025

The Artist In Residency Sponsorship Program supports artists through learning new skills, creating beyond their boundaries and connecting with like minded individuals in a safe creative space. We host 3 of these residencies per year- Spring, Fall & Winter. To date, we've proudly sponsored 65 artists through this program.

Testimonies:

"Access to a learning space is very empowering, and the IAACC & Fuse33 residency is a great opportunity. The flexibility of this program allowed participants to develop their own timelines and goals. I would like to acknowledge how supported I felt in both the communal aspect of the space, but also in an environment where I could pursue personal learning in my own way." ~ Caitlin Thompson

"This program and the workspace allowed me to expand on some of my creative abilities by giving me the space and the tools to do so. I learned so much and have developed some new skills that would have taken me years to learn without them." ~ Alicia Cobb

Our current cohort will be wrapping up their residency late June with an art Exhibit featuring the masterpieces created, interaction with the artists, live artist talks and of course, refreshments & tours.

Hope to see you June 25th at Fuse33 Makerspace!
(BTW the exhibit is open to the public and free to attend!)

How to Support Local Artists

1. Attend one of the many FREE workshops we host that is completely curated by local artists.
2. Attend one of the Art Exhibits showcasing the courageous boundary breakers!
3. Support IAACC through one of the fundraising projects that help fund all these programs that support artists.

Pop Up Art & Art Supply Thrift Store will be hosted in June. Stay tuned for more details
